

KEEP THEM HOME!

Don't Send 3000 NJ National Guard Troops to Iraq in June

The Governors have succeeded in repealing Sec 1076 that gave the President control of National Guard troops for DOMESTIC emergencies. Now we urge them to De-federalize the national Guard by repealing the "Authorization of 2002" to stop sending National Guard to Iraq.

- ★ Tell Governor Corzine: Do not sacrifice one more young man or woman to the War in Iraq.
- ★ Over 600,000 civilians have been killed; over 2 million have been made homeless and are refugees, and hundreds of thousands have been wounded and maimed by war.
- ★ The US must begin international negotiations immediately to bring the troops home.
- ★ YOU CAN DO SOMETHING TO STOP THIS WAR: sign the petition, have others sign it -- urge Governor Corzine to not send half of our National Guard to Iraq in June.
